* Half days are considered to be from opening through 12:15 or 12:15 through the end of the day. If children attend a portion of both the AM and PM, they take up a full day position and Gold Creek must charge the full cost. **Half days are only accepted as a drop in situation.**

**Age groups are approximate.

Tuition includes meals served at the center, which are breakfast, lunch and snack. Parents provide infant formula and foods, as well as diapers and wipes. Providing meals from home does not reduce tuition cost.

Additional Fees:

A non-refundable \$50 registration fee is also charged when enrolling to offset the cost of your tour and enrollment paperwork. Payment of the registration fee holds a spot in a classroom for your child. A supply fee of \$100 per family is due every October.
